ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 15, 2012

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2012-12855

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466419.

The City of Conroe (the "city") received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . release . . . of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note the submitted information includes a DIC-24 statutory warning. The city provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

You state release of the remaining information will interfere with an open criminal investigation. Based on this representation, we conclude that section 552.108(a)(1) is

applicable to the information at issue. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

We note that the DIC-24 form contains a Texas driver's license number. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1). The city must withhold the Texas driver's license number we have marked under section 552.130.

In summary, except for the marked Texas driver's license number, which the city must withhold under section 552.130 of the Government Code, the DIC-24 form must be released. Except for basic information, which must also be released, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Cindy Nettles
