OR2012-13117

Dear Ms. Gamez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466857.

The McAllen Police Department (the "department") received a request for a specified incident report. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(b) requires that a governmental body ask for a decision from this office and state which exceptions apply to the requested information by the tenth business day after receiving the request. Gov't Code § 552.301(b). You state the department received the request for information on July 10, 2012. Accordingly, the department's ten-business-day deadline was July 24, 2012. However, the department's request for a ruling bears a postmark of July 26, 2012. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Forth Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-81 (Tex. App.—Austin 1990, no writ); Open Records Decision No. 319 (1982). The presumption that information is public under section 552.302 can generally be overcome by demonstrating the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). You claim an exception to disclosure under section 552.108 of the Government Code, which is discretionary and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the department may not withhold any of the submitted information under section 552.108. However, we note some of the submitted information is subject to section 552.130 of the Government Code.¹ Because this exception can provide a compelling reason to withhold information, we will address the applicability of this exception to the submitted information.

Section 552.130 of the Government Code provides that information relating to a motor vehicle title or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(2). We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his own motor vehicle information under section 552.023 of the Government Code, and the department may not withhold it from him under section 552.130. *See id.* § 552.023(b). The department must withhold the information pertaining to another individual, which we have marked, under section 552.130.² The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note this office issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including Texas license plate numbers section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
