

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 29, 2012

Dr. Jimmy Creel
Interim Superintendent
Jasper Independent School District
128 Park Street
Jasper, Texas 75951

OR2012-13667

Dear Dr. Creel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 463423.

The Jasper Independent School District (the "district") received a request for the names and places of employment of candidates for the district's superintendent position. You claim the requested information is excepted from disclosure under section 552.126 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You claim the submitted information is excepted under section 552.126 of the Government Code, which excepts from disclosure the "name of an applicant for the position of superintendent of a public school district . . . except that the board of trustees must give public notice of the name or names of the finalists being considered for the position at least 21 days" before a vote or final action is taken. Gov't Code § 552.126. Furthermore, this protection from disclosure extends not only to the name of the individual, but also to any information tending to identify the individual. *See* Open Records Decision No. 540 (1990) (interpreting section 552.123— which, in language similar to section 552.126, protects identities of applicants for chief executive officer of institution of higher education—as applying to identities, rather than just names of applicants). This office has previously held that the type of information that identifies individuals in such cases includes, but is not limited to, resumes, professional qualifications, membership in professional organizations, dates of birth, current positions, publications, letters of recommendation, or any other

information that can be uniquely associated with a particular applicant. *Id.* at 4. We understand the district had not named any finalist for the position on the date the instant request was received. Upon review, we conclude the submitted information is excepted from disclosure under section 552.126, and the district may withhold it on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Jennifer Luttrall
