Mr. Warren M. S. Ernst
Chief of the General Counsel Division
City of Dallas

OR2012-13783

Dear Mr. Ernst:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 463764.

The City of Dallas (the "city") received a request for all correspondence between four named individuals and any United States Army Corps of Engineers (the "Corps") personnel during a specified time period. You state some information will be released to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This office has repeatedly held that the transfer of confidential information between governmental agencies does not destroy the confidentiality of that information. Attorney General Opinions H-917 (1976), H-836 (1974); Open Records Decision Nos. 561 (1990), 414 (1984), 388 (1983), 272 (1981), 183 (1978). These opinions recognize the need

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

to maintain an unrestricted flow of information between state agencies. In Open Records Decision No. 561, we considered whether the same rule applied regarding information deemed confidential by a federal agency. In that decision, we noted the general rule that section 552 of title 5 of the United States Code, the federal Freedom of Information Act (“FOIA”), applies only to federal agencies and does not apply to records held by state agencies. ORD 561 at 6. Further, we stated that information is not confidential when in the hands of a Texas agency simply because the same information is confidential in the hands of a federal agency. *Id.* However, in the interests of comity between state and federal authorities and to ensure the flow of information from federal agencies to Texas governmental bodies, we concluded that: “when information in the possession of a federal agency is ‘deemed confidential’ by federal law, such confidentiality is not destroyed by the sharing of the information with a governmental body in Texas. In such an instance, [section 552.101] requires a local government to respect the confidentiality imposed on the information by federal law.” *Id.* at 7.

You assert the Corps considers the information you have marked to be confidential under the personal privacy provisions found in sections 552(b)(6) and 552(b)(7)(c) of title 5 of the United States Code. *See* 5 U.S.C. § 552(b)(6), (7)(c). Upon review, we find the information you seek to withhold on this basis appears on its face to be contained in records of the city, not the Corps. As discussed above, information is not confidential under the Act simply because the same information would be protected from disclosure in the hands of a federal agency. *See* ORD 561 at 6. We therefore conclude the information at issue does not consist of confidential records of a federal agency transferred to the city, but rather are records of the city. Thus, the city may not withhold the information you have marked based on federal law.

We note some of the submitted information may be subject to section 552.117(a)(1) of the Government Code.² Section 552.117(a)(1) excepts from disclosure the home address and telephone number, social security number, emergency contact information, and family member information of a current or former employee of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code. *See* Gov’t Code § 552.117(a)(1). Section 552.117 is also applicable to cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (statutory predecessor to section 552.117 of the Government Code not applicable to cellular telephone numbers provided and paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may only be withheld under section 552.117(a)(1) on behalf of a current or former employee who made a request for confidentiality under

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, if the individual whose cellular telephone number we have marked timely requested confidentiality under section 552.024 and pays for the cellular telephone service with his own funds, the city must withhold the marked information under section 552.117(a)(1) of the Government Code. If the individual whose information is at issue did not make a timely election under section 552.024 or does not pay for the cellular telephone service with his own funds, the city may not withhold the information at issue under section 552.117(a)(1) of the Government Code. As no other exceptions to disclosure have been raised, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
