Dear Mr. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 468339.

The Edinburg Police Department (the "department") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes intoxilyzer results. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted intoxilyzer results must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A)

(governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the requested information pertains to a pending criminal prosecution. Based on your representation and our review of the information, we conclude release of the information you have marked would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref'd per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the department may withhold the information you have marked under section 552.108(a)(1).

In summary, the department must release the intoxilyzer results to this requestor pursuant to section 724.018 of the Transportation Code. The department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
