OR2012-14793

Dear Ms. Ladd:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 469624 (ORR# 10-5925).

The McKinney Police Department (the "department"), which you represent, received a request for information related to case number 12-5816. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information includes a CR-3 accident report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsections (c) and (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.*

In this instance, the requestor has not provided the department with two of the three specified items of information. Therefore, the department must withhold the submitted crash report pursuant to section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information at issue. Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than

conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested).

You state the remaining information relates to a closed investigation that did not result in conviction or deferred adjudication. Thus, we conclude section 552.108(a)(2) of the Government Code is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the department must withhold the CR-3 accident report pursuant to section 550.065(b) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
