

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 18, 2012

Mr. James A. Kosub
Counsel for the City of Sonora
Kosub & Griffin, LLP
P.O. Box 460
Eldorado, Texas 76936

OR2012-14818

Dear Mr. Kosub:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466673.

The City of Sonora (the "city"), which you represent, received a request for a specified forensic audit report.¹ We have reviewed your arguments and the submitted information. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments to this office stating why the information at issue should or should not be released).

Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See id.* § 552.301(b). In addition, pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e)(1)(A)-(D). In this instance, you state the city received the

¹As you have not submitted a copy of the requestor's May 17, 2012 written request for information, we take our description from your brief.

request for information at issue on May 17, 2012. Accordingly, the city's ten-business-day deadline was June 1, 2012 and its fifteen-business-day deadline was June 8, 2012. However, you did not request a ruling from this office or submit the information at issue until July 23, 2012. Further, as of the date of this letter, the city has not submitted the written request for information at issue, nor has it raised any exceptions to disclosure of the information. Thus, the city failed to comply with the procedural requirements mandated by section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302 (where request for attorney general decision does not comply with requirements of section 552.301, information at issue is presumed to be public); *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). We note that a compelling reason exists when third-party interests are at stake or when information is confidential under other law. Open Records Decision No. 150 (1977). However, as you raise no exceptions to the disclosure of the submitted information and no third-party interests are at stake, it must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Sean Opperman
Assistant Attorney General
Open Records Division
