

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 18, 2012

Mr. Stephen A. Cumbie
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2012-14820

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466468 (PIR No. W018458).

The City of Fort Worth (the "city") received a request for "all accident reports, dash camera videos, and disciplinary memos regarding any and all crashes where distracted driving by an officer/deputy was attributed to as a factor in the crash." You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 550.065(b) of the Transportation Code. Section 550.065(b) states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). The requestor has not provided the city with two of the three requisite pieces of information specified by the statute. Accordingly, the city must withhold the submitted CR-3 accident report forms under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

You assert the remaining submitted information is confidential under section 552.101 in conjunction with section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the existence of two different types of personnel files relating to a police officer: one that must be maintained as part of the officer's civil service file and another the police department may maintain for its own internal use. See Local Gov't Code § 143.089(a), (g). The officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055; see Attorney General Opinion JC-0257 (written reprimand is not disciplinary action for purposes of chapter 143 of the Local Government Code). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). See *Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. See Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You state the remaining information is maintained in the city police department's own internal files. You further state the information pertains to investigations of allegations that were either unfounded or did not result in disciplinary action under chapter 143. Based on your representations and our review, we agree the remaining submitted information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

In summary, the city must withhold the submitted CR-3 accident report forms under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
