Dear Ms. Benton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 470041 (LGL-12-1329).

The City of Waco (the "city") received a request for information related to a specified incident. You indicate some of the requested information has been released. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

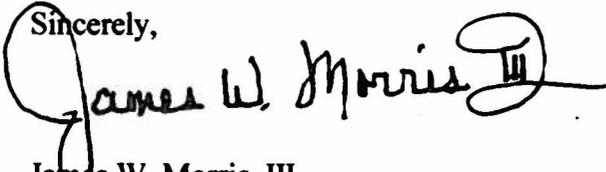

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* The submitted information consists of a crash report that was

completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). In this instance, the requestor has not provided the city with two of the three specified items of information. Therefore, the city must withhold the submitted crash report in its entirety pursuant to section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
