Ms. Samantha Friedman  
Assistant City Attorney for the City of Bastrop  
Law Offices of JC Brown

OR2012-15014

Dear Ms. Friedman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 470024.

The City of Bastrop (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 crash report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public

under the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the city must release this report in its entirety to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that release of the remaining submitted information will interfere with a pending criminal prosecution. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, that the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

We note that the DIC-24 and DIC-25 forms contain information subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another

<sup>1</sup>Although basic information includes an arrestee’s social security number, section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office under the Act. Gov’t Code § 552.147(b).

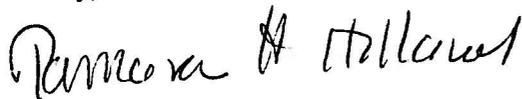

state or country is excepted from public release.<sup>2</sup> Gov't Code § 552.130(a)(1). The city must withhold the information we have marked under section 552.130.

In summary, the city must release the submitted CR-3 accident report under section 550.065(c) of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, which must be withheld, the DIC-24 and DIC-25 forms must be released. Except for basic information, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.<sup>3</sup>
