Ms. Jena R. Abel
Assistant General Counsel
Texas Board of Nursing

OR2012-15112

Dear Ms. Abel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 465899.

The Texas Board of Nursing (the "board") received a request for information regarding a named nurse. You state you will redact social security numbers pursuant to section 552.147 of the Government Code.¹ You have released some information and claim the remaining information is excepted from disclosure under sections 552.101 and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

¹Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Code § 552.101. This exception encompasses information other statutes make confidential, such as section 301.466 of the Occupations Code, which provides as follows:

(a) A complaint and investigation concerning a nurse under this subchapter and all information and material compiled by the board in connection with the complaint and investigation are:

- (1) confidential and not subject to disclosure under [the Act]; and
- (2) not subject to disclosure, discovery, subpoena, or other means of legal compulsion for release to anyone other than the board or a board employee or agent involved in license holder discipline.

(b) Notwithstanding Subsection (a), information regarding a complaint and an investigation may be disclosed to:

- (1) a person involved with the board in a disciplinary action against the nurse;
- (2) a nursing licensing or disciplinary board in another jurisdiction;
- (3) a peer assistance program approved by the board under Chapter 467, Health and Safety Code;
- (4) a law enforcement agency; or
- (5) a person engaged in bona fide research, if all information identifying a specific individual has been deleted.

(c) The filing of formal charges against a nurse by the board, the nature of those charges, disciplinary proceedings of the board, and final disciplinary actions, including warnings and reprimands, by the board are not confidential and are subject to disclosure in accordance with [the Act].

Occ. Code § 301.466. You state exhibit B consists of information and materials compiled by the board in connection with an investigation of the named nurse. You state this investigation did not result in the filing of formal charges. Based on your representations and our review, we agree exhibit B is confidential under section 301.466(a). We find the requestor is not entitled to receive this information under section 301.466(b) and that the information at issue does not fall under section 301.466(c). Accordingly, we conclude the board must withhold exhibit B under section 552.101 of the Government Code in conjunction with section 301.466(a)(1) of the Occupations Code.

Section 552.101 of the Government Code also encompasses section 301.207 of the Occupations Code. Section 301.207 provides as follows:

The following information that a person submits to the board for a petition for a declaratory order of eligibility for a license or for an application for an initial license or a license renewal under this chapter is confidential to the same extent information collected on a nurse as part of an investigation of a complaint is confidential under Section 301.466:

- (1) information, including diagnosis and treatment, regarding a person's physical or mental condition, intemperate use of drugs or alcohol, or chemical dependency;
- (2) information regarding a person's criminal history; and
- (3) any other information in the petition for declaratory order of eligibility.

Id. § 301.207. You have marked information in exhibit A which you state is confidential under this statute. Upon review, we agree the information you have marked is confidential under section 301.207 of the Occupations Code. We agree the requestor is not entitled to receive this information under section 301.466(b), and the information at issue does not fall under section 301.466(c). Therefore, we conclude the board must withhold the information you have marked in exhibit A under section 552.101 of the Government Code in conjunction with section 301.207 of the Occupations Code.

Section 552.137 excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). Gov't Code § 552.137(a)-(c). The remaining information contains an e-mail address of a member of the public. You state the board has not received consent for disclosure of the e-mail address. Accordingly, the board must withhold the e-mail address you have marked under section 552.137 of the Government Code.

In summary, the board must withhold exhibit B under section 552.101 of the Government Code in conjunction with section 301.466 of the Occupations Code. The board must withhold the information you have marked in exhibit A under section 552.101 of the Government Code in conjunction with section 301.207 of the Occupations Code. The board must withhold the e-mail address you have marked under section 552.137 of the Government Code. The board must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
