OR2012-15252

Dear Ms. Lindsay:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 470568 (ORR No. 10-5951).

The City of McKinney (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note, however, that the information at issue includes a DIC-24 statutory warning form. A copy of this form was provided to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

You state the remaining information relates to an open criminal case. Based upon your representation and our review, we find release of the remaining information would interfere

with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.— Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the DIC-24 form contains a driver’s license number. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130(a)(1). The city must withhold the driver’s license number we have marked under section 552.130 of the Government Code.

In summary, except for the DIC-24 form and basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 form, the city must withhold the driver’s license number we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
