Dear Mr. Hoffer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466530.

The San Felipe Del Rio Independent School District (the "district"), which you represent, received a request for any documentation verifying that a named individual "is rightfully addressed and salaried as Dr. Garza" and a copy of the named individual's teacher service record. You inform us that the district has released some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.102 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.102(b) of the Government Code excepts from disclosure all information from higher education transcripts of professional public school employees other than the employee's name, the courses taken, and the degree obtained. *See* Gov't Code § 552.102(b); Open Records Decision No. 526 (1989). You have marked the submitted information you seek to withhold pursuant section 552.102(b). Upon review, we agree the district must withhold this information under section 552.102(b) of the Government Code. As you raise no further exceptions to disclosure of the remaining information, the district must release it.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Kenneth Leland Conyer
