Mr. Stephen A. Cumbie
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street
Fort Worth, Texas 76102

OR2012-15602

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 466439 (Fort Worth PIR No. W018383).

The City of Fort Worth (the "city") received a request for information concerning a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201 of the Family Code, which states:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

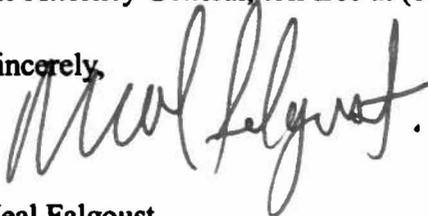

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Youth Commission, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

Fam. Code § 261.201(a), (k). Upon review, we find the submitted information was used or developed in an investigation of alleged injury to a child. *See id.* § 261.001(1) (defining “abuse” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of chapter 261). Although the requestor is identified as a parent of the child victim named in the report, we note the requestor is alleged to have committed the abuse. Accordingly, the requestor does not have a right of access to this information and the city must withhold it under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
