OR2012-16572

Dear Ms. Lindsay:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 472475.

The Town of Flower Mound (the "town"), which you represent, received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. Section 159.002 of the MPA provides in part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information that is subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). This office also has concluded that when a file is created as the result of a hospital stay, all of the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990) (because hospital treatment is routinely conducted under supervision of physicians, documents relating to diagnosis and treatment during hospital stay would constitute protected MPA records). Medical records may only be released in accordance with the MPA. *See* ORD 598. Therefore, the town may only release the medical records we have marked in accordance with the MPA.

You seek to withhold the remaining records under section 552.108 of the Government Code. Section 552.108(a)(2) excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. Gov't Code §§ 552.108(a)(2), .301(e)(1)(A). You state the remaining information pertains to a closed case in which no charges were filed and that ended in a result other than conviction or deferred adjudication. Therefore, we agree the remaining information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-7 (Tex. Civ. App.—Houston[14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of basic information, which must be released, the town may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the town may only release the medical records we have marked in accordance with the MPA. With the exception of basic information, which must be released, the town may withhold the remaining information under section 552.108(a)(2) of the Government Code.
