Ms. Ashley D. Fourt
Assistant District Attorney
Tarrant County

OR2012-16997

Dear Ms. Fourt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 473380.

The Tarrant County Sheriff's Department (the "sheriff") received a request for information pertaining to a specified accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with all of the specified items of information. Accordingly, the department must release the submitted CR-3 accident report form in its entirety pursuant to chapter 550 of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection,

investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You represent that the remaining information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1).

In summary, the department must release the submitted CR-3 accident report form in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
