OR2012-17013

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 468637 (ORR# 10-5901).

The McKinney Police Department (the "department"), which you represent, received a request for a specified report pertaining to a named individual. You claim the submitted information is exempted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code exempts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes such as section 58.007 of the Family Code, which provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997 are confidential under section 58.007. *See id.* § 51.03(a), (b) (defining "delinquent conduct" and "conduct indicating a need for supervision"). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). The submitted information involves children engaged in delinquent conduct that occurred after September 1, 1997. As such, this information constitutes a juvenile law enforcement record that is confidential pursuant to section 58.007(c).

We note, however, the requestor is a representative of the Collin County Community Supervision and Corrections Department (the "CCSCD"). Section 58.007(e) gives a "criminal justice agency as . . . defined by Section 411.082, Government Code" a right of access to juvenile law enforcement records. Section 411.082 defines a "criminal justice agency" as including "a federal or state agency that is engaged in the administration of criminal justice under a statute or executive order and that allocates a substantial portion of its annual budget to the administration of criminal justice." Gov't Code § 411.082(3)(A). "Administration of criminal justice" has the meaning assigned to it by article 60.01 of the Code of Criminal Procedure. *See id.* § 411.082(1). Article 60.01 defines "administration of criminal justice" as the "performance of any of the following activities: detection, apprehension, pretrial release, post-trial release, prosecution, adjudication, correctional supervision, or rehabilitation of an offender. The term includes criminal identification activities and the collection, storage, and dissemination of criminal history record information." Code Crim. Proc. art. 60.01(1). Thus, we find the CCSCD is engaged in the administration of criminal justice for purposes of chapter 411 and the CCSCD is a criminal justice agency as defined by section 411.082. Although you also claim the submitted information is excepted under section 552.108 of the Government Code, a specific statutory right of access prevails over general exceptions to disclosure under the Act. *See Open*

Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under Act). Accordingly, the requestor has a right to inspect the submitted information under section 58.007(e).
