Ms. Karin W. Riley
Associate General Counsel
University of North Texas System

Dallas, Texas 75201

OR2012-17457

Dear Ms. Riley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474156 (PIR No. 001564).

The University of North Texas (the "university") received a request for information related to a specified investigation. You state some responsive information will be provided to the requestor. You claim the remaining requested information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we must address the university's obligations under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether information is excepted from public disclosure. Pursuant to section 552.301(b) of the Government Code, a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See Gov't Code* § 552.301(a), (b). You state the request was

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

received by the university on September 25, 2012. Accordingly, the university was required to request its decision from this office by October 9, 2012. However, the university requested this decision on October 10, 2012. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the university failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption that the information is public. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). A compelling reason exists when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). Section 552.108 of the Government Code is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See Simmons*, 166 S.W.3d at 350 (section 552.108 is not compelling reason to withhold information under section 552.302); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. You inform us, and have provided a representation stating, that the Denton County Criminal District Attorney's Office (the "district attorney's office") asserts a law enforcement interest in the information at issue. Accordingly, we will consider whether the university may withhold the information at issue on behalf of the district attorney's office under section 552.108. In addition, as section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address your claim under this exception.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

The district attorney's office objects to release of the requested information because its release would interfere with a pending criminal prosecution by the district attorney's office. Based upon the representation of the district attorney's office, we find release of the information would interfere with the detection, investigation, or prosecution of crime. *See*

Houston Chronicle Publ'g Co. v. City of Houston, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the university may withhold the requested information under section 552.108(a)(1) of the Government Code. As our ruling is dispositive, we do not address your remaining claim.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
