Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 469787 (Plano ID No. VANK081412).

The Plano Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration issued by an agency of this state or another state or country. *See* Gov't Code § 552.130. The submitted information, which consists of video recordings, contains motor vehicle record information that is excepted from disclosure under section 552.130. Because the department states it lacks the technological capability to redact such information from these video recordings, we agree the department must withhold the submitted information in its entirety under section 552.130(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
