ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 5, 2012

Mr. B. Scott Osburn
Deputy City Attorney
City of Killeen
P.O. Box 1329
Killeen, Texas 76540-1329

OR2012-17654

Dear Mr. Osburn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 472196.

The City of Killeen (the "city") received a request for the "elevation/location of the SS meter" near a specified location and the preliminary 2012 sanitary sewer and water capital improvement project maps. You claim the requested information is excepted from disclosure under sections 552.106 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note it appears the city did not submit the requested "elevation/location of the SS meter" near a specified location. We assume, to the extent this requested information existed when the city received the request for information, the city has released it to the requestor. If not, then the city must do so immediately. *See* Gov't Code §§ 552.006, 552.301, 552.302; Open Records Decision No. 664 (2000).

Section 552.111 of the Government Code excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630

S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third-party consultant. *See* Open Records Decision Nos. 631 at 2 (1995) (section 552.111 encompasses information created for governmental body by outside consultant acting at governmental body's request and performing task that is within governmental body's authority), 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process), 462 at 14 (1987) (section 552.111 applies to memoranda prepared by governmental body's consultants). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111

is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. *See* ORD 561 at 9.

You state the submitted information consists of preliminary proposals for the expansion of the city's water and sewer infrastructure that were created by consultants hired by the city. You also inform us the proposals will be submitted to the city council for formal approval and indicate the information will be released to the public in its final form. Based on these representations and our review of the information at issue, we agree the city may withhold the submitted information under section 552.111.[1]

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
