

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 5, 2012

Ms. Leticia D. McGowan
School Attorney
Dallas Independent School District
3700 Ross Avenue
Dallas, Texas 75204

OR2012-17664

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 469976 (Dallas ISD ORR# 11435).

The Dallas Independent School District (the "district") received a request for all personal and professional information regarding the requestor from August, 1995, to August, 2012. You state you have released or will release some of the requested information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.135 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.¹ Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which "personally identifiable information" is disclosed. See 34 C.F.R. § 99.3 (defining

“personally identifiable information”). The submitted information may contain unredacted education records. Because our office is prohibited from reviewing these records to determine the applicability of FERPA, we will not address the applicability of FERPA to any of the submitted records. Such determinations under FERPA must be made by the educational authority in possession of such records.² We will, however, address the applicability of the claimed exceptions to the submitted information.

Section 552.101 of the Government Code exempts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides in part as follows:

[T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You assert the submitted information is confidential under section 261.201 of the Family Code. *See id.* § 261.001(1) (defining “abuse” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). We note the district is not an agency authorized to conduct an investigation under chapter 261 of the Family Code. *See id.* § 261.103 (listing agencies that may conduct child abuse investigations). However, you state the district has an employee on staff who is shared with the Texas Department of Family and Protective Services (“DFPS”) to receive and investigate child abuse claims. Furthermore, you state the information at issue was obtained by the Dallas Police Department, DFPS, or district police officers who are commissioned peace officers with the authority to investigate such claims. Thus, based on your representations and our review, we agree the submitted information was used by these investigating agencies in a child abuse investigation. Accordingly, we conclude the submitted information is confidential pursuant

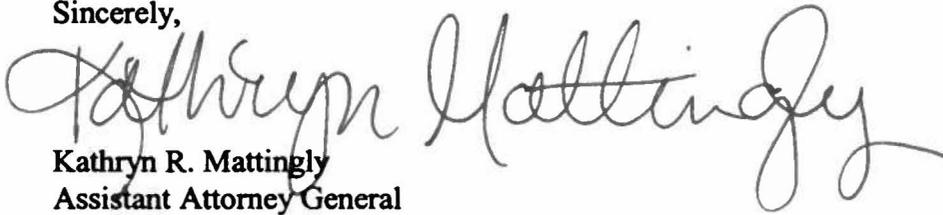

²In the future, if the district does obtain parental consent to submit unredacted education records and the district seeks a ruling from this office on the proper redaction of those education records in compliance with FERPA, we will rule accordingly.

to section 261.201 of the Family Code, and the district must withhold it under section 552.101 of the Government Code.³ See Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
