Ms. Patricia Fleming
Assistant General Counsel
Office of the General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2012-17871

Dear Ms. Fleming:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 471083.

The Texas Department of Criminal Justice (the "department") received a request for the number, dates, and incident reports of deaths at a specified state jail during a specified time period. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134 of the Government Code encompasses information relating to inmates of the department and states, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from the requirements of Section 552.021 if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.029 of the Government Code provides, however:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Thus, the legislature explicitly made section 552.134 subject to section 552.029.

You claim section 552.134 for the submitted information. We note although the inmate to whom the information at issue pertains is deceased, section 552.134 is applicable to information that relates to the decedent as an inmate. Thus, we find section 552.134 is generally applicable to the submitted information. We note, however, the information at issue is related to the death of an inmate in custody. Basic information about this incident is subject to disclosure under section 552.029(8). Basic information under section 552.029(8) includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Therefore, with the exception of the basic information relating to the death of an inmate in custody, which must be released under section 552.029(8), the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
