

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 8, 2012

Ms. Ruth H. Soucy
Deputy General Counsel for Open Records
Texas Comptroller of Public Accounts
P.O. Box 13528
Austin, Texas 78711-3528

OR2012-18007

Dear Ms. Soucy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 470398 (Comptroller ID# 8549902041).

The Texas Comptroller of Public Accounts (the "comptroller's office") received a request for five categories of information pertaining to the State Energy Conservation Office (the "SECO") Stimulus Program's Business Process Improvement. You state the comptroller's office will release some of the requested information to the requestor. You claim some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. Section 552.111 encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of

¹This letter ruling assumes that the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize, the withholding of any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. ORD 615 at 5; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). However, a governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. ORD 615 at 5-6; *see also Dallas Morning News*, 22 S.W.3d at 364 (section 552.111 not applicable to personnel-related communications that did not involve policymaking). Further, section 552.111 does not generally except from disclosure facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 157; ORD 615 at 5. But, if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office also has concluded a preliminary draft of a document that has been or is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You seek to withhold the information you have marked and the submitted draft documents under section 552.111. You contend the information at issue constitutes internal communications providing advice, opinion, and recommendations regarding policy matters of the comptroller's office pertaining to overall process improvements of the SECO, which is a division of the comptroller's office. Additionally, you state the draft documents at issue have been or will be released to the public in their final form. Based on your representations

and our review, we find the information we have marked, including the draft documents, constitutes policymaking advice, opinion, and recommendation. As such, the comptroller's office may withhold the information we have marked, including the submitted draft documents in their entirety, under section 552.111 on the basis of the deliberative process privilege. However, we find the remaining information consists of either general administrative information that does not relate to policymaking, or information that is purely factual in nature. Thus, you have failed to demonstrate how this information is excepted under section 552.111. Accordingly, we find none of the remaining information may be withheld on this basis. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
