Dear Ms. Reingold:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474850.

The Galveston County Medical Examiner's Office (the "medical examiner") received a request for several categories of information pertaining to a specified death. You state the medical examiner does not have information responsive to some of the requested categories of information.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5*

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dism'd); *Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983)*.

(1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You inform us that the Galveston County District Attorney's Office objects to disclosure of the submitted information because its release would interfere with an ongoing criminal investigation and prosecution. Based on your representation and our review, we conclude that the medical examiner may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
