Ms. Lysia H. Bowling  
City Attorney  
City of San Angelo  
P.O. Box 1751  
San Angelo, Texas 76902

OR2012-18474

Dear Ms. Bowling:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 471571.

The San Angelo Police Department (the "department") received a request for a specified report pertaining to a named decedent. You state the department will release some information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The requestor identifies herself as a research assistant for the Division of Workers' Compensation of the Texas Department of Insurance. The requestor states she seeks access to the requested information in connection with a Census of Fatal Occupational Injuries conducted in cooperation with the Bureau of Labor Statistics of the U.S. Department of Labor. Accordingly, the department has the discretion to release the requested information to this requestor pursuant to an intergovernmental transfer. This office ruled in Open Records Decision No. 661 (1999) whether a governmental entity may release information to another governmental entity is not a question under the Act, as the Act is concerned with the required release of information to the public. Gov't Code §§ 552.001, .002, .021; *see* Attorney General Opinions H-683 (1975), H-242 (1974), M-713 (1970); Open Records Decision No. 655 (1997). For many years, this office has recognized it is the public policy of this state that governmental bodies should cooperate with each other in the interest of the efficient and economical administration of statutory duties. *See, e. g.*, Attorney General Opinion H-836 (1976); ORD 655. *But see* Attorney General Opinions DM-353 at 4 n.6 (1995) (interagency transfer prohibited where confidentiality statute enumerates specific entities to which release

of confidential information is authorized and where receiving agency is not among statute's enumerated entities), JM-590 (1986) (same); Open Records Decision Nos. 655, 650 (1996) (transfer of confidential information to federal agency impermissible unless federal law requires its disclosure). In adherence to this policy, this office has concluded information may be transferred between governmental bodies that are subject to the Act without waiving exceptions to the public disclosure of that information or affecting its confidentiality on the basis of a recognized need to maintain an unrestricted flow of information between governmental bodies. See Attorney General Opinions H-836, H-242, M-713; Open Records Decision Nos. 655, 414 (1984). Thus, the release of information by one agency to another agency is not a release to the public for the purposes of section 552.007 of the Government Code, which prohibits the selective disclosure of information. See ORD 655 at 8. Accordingly, the department would have the discretion to release the requested information to this requestor even if the information is confidential. However, should the department decline to exercise that discretion, it must nonetheless adhere to the following decision regarding the applicability of the claimed exceptions to the requested information.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See Gov't Code §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an incident that is still under investigation by law enforcement and is still pending prosecution. Based on these representations, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we find section 552.108(a)(1) is generally applicable to the submitted information.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. Thus, with the exception of the basic front page offense and arrest information, which you state you will release, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
