OR2012-18638

Dear Ms. Winn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 472551.

The Travis County Sheriff's Office (the "sheriff's office") received a request for report number 12-18973. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

- (a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted report pertains to forgery of a financial instrument and fraudulent use and possession of identifying information, which constitute alleged violations of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted report is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent that it contains confidential information. *See* Crim. Proc. Code art. 2.29. Although you seek to withhold the report under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted report may not be withheld under section 552.108 of the Government Code. However, portions of the submitted information are confidential pursuant to sections 552.130 and 552.136 of the Government Code.¹ Because sections 552.130 and 552.136 are confidentiality provisions, we will address the applicability of these exceptions to the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

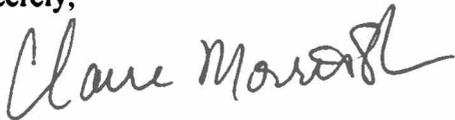

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Accordingly, the sheriff’s office must withhold the credit card, bank account, and access device numbers we have marked under section 552.136 of the Government Code.

In summary, the sheriff’s office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code and the credit card, bank account, and access device numbers we marked under section 552.136 of the Government Code. The sheriff’s office must release the remaining information to this requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. ²We note the information being released includes social security numbers of living individuals other than the requestor. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office. *See* Gov’t Code § 552.147(b). We also note the information being released in this instance includes information that is confidential with respect to the general public. *See* Gov’t Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Therefore, if the sheriff’s office receives another request for this information from a different requestor, the sheriff’s office must again seek a ruling from this office.
