Ms. Cheryl K. Byles
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street
Fort Worth, Texas 76102

OR2012-18654

Dear Ms. Byles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 475518 (CFW PIR No. W020912).

The City of Fort Worth (the "city") received a request for information pertaining to a incident. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age. *See* Fam. Code § 51.02(2). Section 58.007 provides, in pertinent part, as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). Upon review, we find the submitted information pertains to juveniles engaged in delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03(a) (defining "delinquent conduct" for the purposes of section 58.007). Therefore, the submitted information at issue is subject to section 58.007. It does not appear any of the exceptions in section 58.007 of the Family Code apply.

We note, however, the submitted information contains a CR-3 accident report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite pieces of information specified by the statute.

Although the submitted information is generally confidential under section 58.007 of the Family Code, section 550.065(c)(4) requires the accident report to be released to the requestor because she supplied the required information. Therefore, there is a conflict between the provisions of section 58.007 of the Family Code and section 550.065(c)(4) of the Transportation Code. Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). In this instance, although section 58.007 generally pertains to all juvenile law enforcement records, section 550.065(c)(4) specifically pertains to accident reports. Therefore, in this instance, section 550.065 governs the release of the submitted accident report. Accordingly, the city must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

In summary, the city must release the submitted CR-3 accident report under section 550.065(c)(4) of the Transportation Code. The remaining information must be withheld under section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
