Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 471714 (Cedar Park Ref. No. 12-790).

The Cedar Park Police Department (the "department") received a request for video footage of a specified incident involving a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license or driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1)-(2). Upon review, we find the submitted video recordings contain motor vehicle record information subject to section 552.130. You state the department does not have the technological capability to redact information contained in the submitted video recordings. Thus, the department must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code.¹

¹As our ruling is dispositive, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
