Dear Mr. Juarez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 472397.

The United Independent School District (the "district"), which you represent, received a request for information from an investigator with the Texas Education Agency (the "TEA") regarding a named employee. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by statute, including section 21.048 of the Education Code, which addresses teacher certification examinations. Section 21.048(c-1) provides the following:

The results of an examination administered under this section are confidential and are not subject to disclosure under Chapter 552, Government Code, unless:

(1) the disclosure is regarding notification to a parent of the assignment of an uncertified teacher to a classroom as required by Section 21.057; or

(2) the educator has failed the examination more than five times.

Educ. Code § 21.048(c-1). You state that neither subsection 21.048(c-1)(1) or subsection (2) is applicable in this instance. Therefore, the information we have marked must generally be withheld under section 552.101 of the Government Code in conjunction with section 21.048 of the Education Code.

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's or driver's license issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a)(1). Accordingly, the district must generally withhold the driver's license number you have highlighted under section 552.130 of the Government Code.

We note the TEA's request states the requestor is seeking this information under the authority provided to the State Board for Educator Certification ("SBEC") by section 249.14 of title 19 of the Texas Administrative Code.¹ Accordingly, we will consider whether section 249.14 of title 19 of the Texas Administrative Code permits the TEA to obtain information that is otherwise protected by the exceptions discussed above. *See* Open Records Decision No. 451 at 4 (1986) (specific access provision prevails over generally applicable exception to public disclosure).

Chapter 249 of title 19 of the Texas Administrative Code governs disciplinary proceedings, sanctions, and contested cases involving SBEC. *See* 19 T.A.C. § 249.4. Section 249.14 provides in relevant part:

(a) The [TEA] staff may obtain and investigate information concerning alleged improper conduct by an educator, applicant, examinee, or other person subject to this chapter that would warrant [SBEC] denying relief to or taking disciplinary action against the person or certificate.

...

¹Chapter 21 of the Education Code authorizes SBEC to regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators. *See* Educ. Code § 21.031(a). Section 21.041 of the Education Code states that SBEC may "provide for disciplinary proceedings, including the suspension or revocation of an educator certificate, as provided by Chapter 2001, Government Code." *Id.* § 21.041(b)(7). Section 21.041 also authorizes SBEC to "adopt rules as necessary for its own procedures." *Id.* § 21.041(a).

(c) The TEA staff may also obtain and act on other information providing grounds for investigation and possible action under this chapter.

19 T.A.C. § 249.14(a), (c). In this instance, the requestor states he is investigating allegations made against the named district employee, which could warrant disciplinary action relating to that person's educator certification. Thus, we find that the information at issue is subject to the general right of access afforded to the TEA under section 249.14. However, because some of the requested information is specifically protected from public disclosure by the statutes discussed above, we find there is a conflict between these statutes and the right of access afforded to TEA investigators under section 249.14.

We note where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence that the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). Although section 249.14 generally allows the TEA access to information relating to suspected misconduct on the part of an educator, section 21.048 of the Education Code specifically protects educator certification test results and section 552.130 of the Government Code specifically protects driver's license numbers. These sections specifically permit release to certain parties and in certain circumstances that do not include the TEA's request in this instance. We therefore conclude that, notwithstanding the provisions of section 249.14 of the Texas Administrative Code, the district must withhold the information that is excepted from disclosure under section 552.101 of the Government Code in conjunction with section 21.048 of the Education Code, and the highlighted driver's license number under section 552.130 of the Government Code. The district must release the remaining information to the TEA pursuant to section 249.14 of title 19 of the Texas Administrative Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²Because the TEA has a right of access to certain information in these documents that otherwise would be excepted from release under the Act, the district must again seek a decision from this office if it receives a request for this information from a different requestor without such a right of access.
