Mr. Sol M. Cortez  
Assistant City Attorney  
Office of the City Attorney  
City of El Paso  
2 Civic Center Plaza 9th Floor  
El Paso, Texas 79901

OR2012-19210

Dear Mr. Cortez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477007.

The El Paso Police Department (the "department") received a request for information related to a specified case number. You state some of the requested information has been released. You claim other responsive information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note the submitted information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to the person or the person's attorney. As a general rule, the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who gave the specimen at the request of a peace officer. Therefore, the results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information at issue. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection,

investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and have provided a letter from an assistant district attorney for the Thirty-fourth Judicial District stating, release of the remaining information would interfere with a pending criminal prosecution. Based on your representation and the assistant district attorney’s letter, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

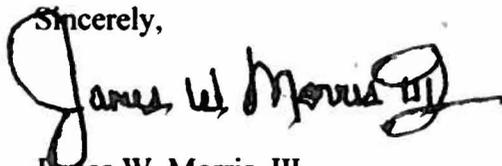

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page offense and arrest information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, as you indicate basic information has been released, the department may withhold the remaining information at issue under section 552.108(a)(1) of the Government Code.

In summary, the department (1) must release the results of the analysis of the breath specimen pursuant to section 724.018 of the Transportation Code and (2) may withhold the remaining information at issue under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James W. Morris, III
