Dear Mr. Meyer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 476717 (Police Department Reference No. 9483).

The Arlington Police Department (the "department") received a request for specified blood test results. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

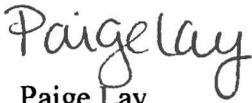

We note that the submitted information consists of the results of an analysis of a blood specimen. Section 724.018 of the Transportation Code provides that on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the blood specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.¹

¹As our ruling is dispositive, we need not address your argument under section 552.108.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
