

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 10, 2012

Mr. Timothy V. Molnes
Chief of Police
City of Copperas Cove
P.O. Drawer 1449
Copperas Cove, Texas 76522

OR2012-19854

Dear Mr. Molnes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477597 (City Reference No. W001514-111412).

The City of Copperas Cove (the "city") received a request for information to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108, 552.130, 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we address the submitted CR-3 accident report completed pursuant to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including chapter 550 of the Transportation Code. See Transp. Code § 550.064 (officer's accident report). Section 550.065(c) states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In this instance, the requestor

has not provided two of the three pieces of required information for the submitted accident report. Thus, the city must withhold the accident report under section 552.101 in conjunction with section 550.065(b).

Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending investigation and prosecution. Based on this representation and our review, we find section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information which must be released, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.¹

In summary, the city must withhold the accident report under section 552.101 in conjunction with section 550.065(b) of the Transportation Code. With the exception of basic information which must be released, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.
