Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2012-19928

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 478377 (CCPD File No. ERod1).

The Corpus Christi Police Department (the "department") received a request for information related to a specified incident involving a named individual. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, including section 58.007 of the Family Code, which provides in part:

> (c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:
>
> > (1) if maintained on paper or microfilm, kept separate from adult files and records;

> (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
>
> (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c); *see id.* § 51.03(a)-(b) (defining "delinquent conduct" and "conduct indicating need for supervision" for purposes of Fam. Code title 3). Section 58.007(c) is applicable to records of juvenile conduct that occurred on or after September 1, 1997. *See* Act of June 2, 1997, 75th Leg., R.S., ch. 1086, §§ 20, 55(a), 1997 Tex. Gen. Laws 4179, 4187, 4199; Open Records Decision No. 644 (1996). The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining "child" for purposes of Fam. Code title 3). We note section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party and not as a suspect or offender. Although you contend the submitted information is confidential under section 58.007(c), we find the information at issue does not involve a juvenile suspect or offender. We therefore conclude the department may not withhold the submitted information under section 552.101 of the Government Code on the basis of section 58.007 of the Family Code. Thus, as no other exception is claimed, the department must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James W. Morris III
