

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 11, 2012

Mr. Steve Stanford
Director of Communications
Katy Independent School District
P.O. Box 159
Katy, Texas 77492-0159

OR2012-19930

Dear Mr. Stanford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 478239.

The Katy Independent School District (the "district") received a request for a specified police report. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the information you submitted.

We first note the district did not fully comply with section 552.301 of the Government Code in raising an exception to disclosure under section 552.108 of the Government Code. Section 552.301 prescribes procedures a governmental body must follow in asking this office to determine whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301(a). Section 552.301(b) requires the governmental body to ask for the attorney general's decision and claim its exceptions to disclosure not later than the tenth business day after the date of its receipt of the written request for information. *See id.* § 552.301(b). Section 552.301(e) requires the governmental body to submit to this office, not later than the fifteenth business day after the date of its receipt of the request for information, written comments stating why the exceptions to disclosure the governmental body claims are applicable to the information it seeks to withhold. *See id.* § 552.301(e)(1)(A). Section 552.302 of the Government Code provides that if a governmental body fails to comply with section 552.301, the requested information is presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Simmons v.*

Kuzmich, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ).

Although the district timely raised section 552.108 of the Government Code, for purposes of section 552.301(b), in requesting this decision, the district has not submitted any explanation of how or why section 552.108 would be applicable to any of the information at issue. Thus, the district did not comply with section 552.301(e) in raising section 552.108, which is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. See Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). The district's assertion of section 552.108 is not a compelling reason for non-disclosure under section 552.302. See Open Records Decision No. 586 (1991). In failing to comply with section 552.301(e), the district waived section 552.108 and may not withhold any of the submitted information under that exception. We will address the district's claim under section 552.101 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, including section 58.007 of the Family Code, which provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under [the Act] or other law.

Fam. Code § 58.007(c), (e), (j); *see id.* § 51.03(a)-(b) (defining "delinquent conduct" and "conduct indicating need for supervision" for purposes of Fam. Code title 3). Section 58.007(c) is applicable to records of juvenile conduct that occurred on or after September 1, 1997. *See* Act of June 2, 1997, 75th Leg., R.S., ch. 1086, §§ 20, 55(a), 1997 Tex. Gen. Laws 4179, 4187, 4199; Open Records Decision No. 644 (1996). Although the submitted information involves two juvenile offenders, so as to be generally confidential under section 58.007(c), one of the juveniles is the requestor's child. Thus, because the requestor has the right to inspect juvenile law enforcement records involving her child under section 58.007(e), the district may not withhold the submitted information under section 552.101 of the Government Code on the basis of section 58.007(c).

Section 58.007(j) of the Family Code provides, however, that any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted. *See* Fam. Code § 58.007(j)(1). For purposes of section 58.007(j), a juvenile suspect or offender is a child as defined by section 51.02 of the Family Code. *See id.* § 51.02(2) ("child" means a person who is ten years of age or older and under seventeen years of age). Therefore, the district must withhold the submitted information that identifies the other juvenile offender, including his name, address, and telephone number, under section 552.101 of the Government Code in conjunction with section 58.007(j)(1).

Section 58.007(j) also provides that information subject to any other exception to disclosure under the Act or other law must be redacted. *See id.* § 58.007(j)(2). Section 552.130 of the Government Code excepts from disclosure information related to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country.¹ *See* Gov't Code § 552.130(a)(1). The district must withhold the complainant's and reporting party's driver's license numbers under section 552.130.

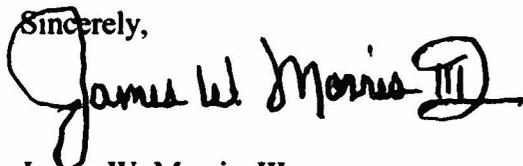

¹This office will raise section 552.130 on behalf of a governmental body, as this section is a mandatory exception to disclosure. *See* Gov't Code §§ 552.007, .352; Open Records Decision No. 674 at 3 n.4 (2001) (mandatory exceptions).

In summary, the district must withhold (1) the submitted information that identifies the other juvenile offender, including his name, address, and telephone number, under section 552.101 of the Government Code in conjunction with section 58.007(j)(1) of the Family Code and (2) the complainant's and reporting party's driver's license numbers under section 552.130 of the Government Code. The rest of the submitted information must be released pursuant to section 58.007(e) of the Family Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²Because the present requestor has a right of access to information the district would be required to withhold from a member of the general public, the district should request another decision if it receives another request for this same information from a different requestor.
