

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 13, 2012

Mr. Michael J. Cosentino
City Attorney
City of San Marcos
630 East Hopkins
San Marcos, Texas 78666

OR2012-20030

Dear Mr. Cosentino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477658.

The San Marcos Police Department (the "department") received a request for information pertaining to a specified accident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We first note the submitted information contains a CR-3 accident report form subject to section 550.065 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 550.065 of the Transportation Code. This section provides that, except as provided by subsection (c), accident reports are privileged and confidential. Transp. Code § 550.065(b). Section 550.065(c)(4) of the Transportation Code, however, requires the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with the requisite pieces of information specified by the statute. Although you seek to withhold this information under section 552.108 of the Government Code, statutes governing

the release of specific information prevail over the general exceptions to disclosure found in the Act. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Accordingly, the department must release the submitted CR-3 accident report form to this requestor pursuant to section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal prosecution. Based on your representation and our review of the information, we conclude release of the remaining information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d n.r.e per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code applies to the remaining information.

We note, however, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the submitted CR-3 accident report form pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must also be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
