Mr. Bennett M. Wyse  
Assistant City Attorney  
City of Murphy  
Messer Law Firm, PLLC

OR2012-20174

Dear Mr. Wyse:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474522.

The City of Murphy (the "city"), which you represent, received a request for the background investigation summary/report that was used to determine the requestor's eligibility for police employment. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. This section encompasses the deliberative process privilege. See Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. See *Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications consisting of advice, recommendations, and opinions reflecting the policymaking processes of the

governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass internal administrative or personnel matters, and disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). However, a governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

You contend that the submitted information is excepted from disclosure under section 552.111. We note the submitted information relates to the hiring of a specific city applicant. Upon review, we find the submitted information concerns administrative and personnel matters that do not rise to the level of policymaking in this instance. Accordingly, the submitted information may not be withheld pursuant to section 552.111 of the Government Code. As no further exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Nneka Kanu  
Assistant Attorney General
