OR2012-20267

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474211.

The Mesquite Police Department (the "department") received a request for a specified offense report. You claim a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose.

*Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. We note because the laws that govern the dissemination of information obtained from NCIC and TCIC are based on both law enforcement and privacy interests, the CHRI of a deceased individual that is obtained from a criminal justice agency may be disseminated only as permitted by subchapter F of chapter 411 of the Government Code. *See* ORD 565 at 10-12. Upon review, we find the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

Section 552.130 of the Government Code provides that information relating to a motor vehicle title or registration issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov't Code § 552.130(a)(2). We note the purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, motor vehicle record information that pertains solely to deceased individuals may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enters.*, 589 S.W.2d 489, 491 (Tex. App.—Texarkana 1979, writ ref'd n.r.e.); *see also* Attorney General Opinions JM-229 (1984) (“the right of privacy lapses upon death”), H-917 (1976) (“We are . . . of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death.”); Open Records Decision No. 272 at 1 (1981) (privacy rights lapse upon death). We have marked motor vehicle record information of a vehicle belonging to a deceased individual. If a living person owns an interest in the deceased individual's vehicle, the department must withhold the motor vehicle record information pertaining to this vehicle under section 552.130 of the Government Code. If no living person owns an interest in the vehicle at issue, the department may not withhold the marked motor vehicle record information pertaining to this vehicle under section 552.130.

In summary, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The department must withhold the marked motor vehicle record information under section 552.130 of the Government Code only if a living person owns an interest in the deceased individual's vehicle. The remaining information must be released.

You also ask this office to issue a previous determination that would permit the department to withhold, without the necessity of requesting a decision from this office, CHRI under

section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code. We decline to issue a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
