

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 20, 2012

Ms. Michelle M. Kretz
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, Third Floor
Fort Worth, Texas 76102

OR2012-20536

Dear Ms. Kretz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474997 (Fort Worth Request Nos. W020698 & W020699).

The City of Fort Worth (the "city") received two requests from the same requestor for information regarding the South Shore Sanitary Sewer Replacement M-253 Phase I, including any payments made by the city, documents, correspondence and contracts relating to specified topics, affidavits about facts in the project, and letters, payments, estimates, and agreements related to the companies involved in the project.¹ You claim that the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information, a portion of which you state constitutes a representative sample.² We have also received and

¹We note the city sought and received clarification of the information requested. See Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

considered comments from the requestor. *See* Gov't Code § 552.304 (interested third party may submit comments to this office stating why the information at issue should or should not be released).

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. This section provides, in pertinent part:

(a) [T]he following categories of information are public information and not excepted from required disclosure under this chapter unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). In this instance, the submitted information includes information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by the city. This information is subject to subsection 552.022(a)(3) of the Government Code. You argue this information is excepted from disclosure by section 552.103 of the Government Code. Section 552.103 is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). As such, section 552.103 does not make information confidential under the Act. Therefore, none of the information encompassed by subsection 552.022(a)(3), which we have marked, may be withheld under section 552.103.

Section 552.103 of the Government Code provides, in relevant part, as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information relating to litigation through discovery procedures. *See* Open Records Decision No. 551 at 4-5 (1990). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date that the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Thomas v. Cornyn*, 71 S.W.3d 473, 487 (Tex. App.—Austin 2002, no pet.); *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); ORD 551 at 4. A governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

You state, and have provided documentation showing, that litigation involving the city was pending in the 342nd Judicial District Court in Tarrant County prior to the city's receipt of the requests. Further, you state the pending litigation concerns the same South Shore Sanitary Sewer Replacement M-253 Phase I project that is at issue in the present requests. Based on your representations and our review, we agree litigation was pending on the date the city received the present requests for information. We also find the information at issue is related to the pending litigation. Accordingly, we conclude the city may withhold the information not subject to section 552.022(a)(3) under section 552.103.

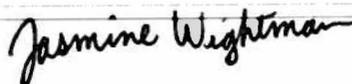

We note, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a). We note the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, the city must release the information we have marked under section 552.022 of the Government Code. The remaining information may be withheld under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
