Ms. Sharon Alexander
Associate General Counsel
Texas Department of Transportation

OR2012-20598

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474869.

The Texas Department of Transportation (the "department") received three requests from the same requestor for all correspondence concerning three specified complaints with the department as of October 9, 2012, that has not been previously released to the requestor. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.116 of the Government Code provides as follows:

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also

maintained in another record, that other record is not excepted from [required public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing body of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You contend Exhibit B consists of audit working papers that were compiled by the department's internal auditor during the course of an audit authorized under chapter 321 of the Government Code. *See* Transp. Code § 201.108 (Texas Transportation Commission shall appoint internal auditor for department); *see also* Gov't Code §§ 321.0131-.0134 (defining various types of audits), .0136, 2102.007 (relating to duties of the internal auditor). Based on your representations and our review, we agree the information at issue constitutes audit working papers under section 552.116. Accordingly, the department may withhold Exhibit B under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
