Ms. Lillian Guillen Graham
Assistant City Attorney
City of Mesquite
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2012-20708

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 474818.

The City of Mesquite (the "city") received a request for the most recent vaccination record of a specified dog and why the dog was so vicious. You claim a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note a portion of the request requires the city to answer a question. The Act does not require a governmental body to answer general questions, perform legal research, or create new information in response to a request for information. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, the Act does require the governmental body to make a good faith effort to relate a request to information that the governmental body holds or to which it has access. *See* Open Records Decision Nos. 563 at 8, 561 at 8-9 (1990), 555 at 1-2, 534 at 2-3 (1989). In this instance, we assume the city has made a good faith effort to locate any information responsive to this request. Accordingly, we will address your claimed exceptions for the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 826.0211 of the Health and Safety Code provides in part:

(a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include the social security number or the driver's license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). We note section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. The submitted information consists of a rabies certificate. Therefore, the owner's identifying information within the rabies certificate, which you have marked, must be withheld under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kristi L. Wilkins
