Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 480463 (CCPD File No. EMon1).

The Corpus Christi Police Department (the "department") received a request for all information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. You state the City of Corpus Christi is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides as follows:

A department, [the Fire Fighters' and Police Officers' Civil Service Commission], or municipality may not release a photograph that depicts a police officer unless:

- (1) the officer has been charged with an offense by indictment or by information;

(2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;

(3) the photograph is introduced as evidence in a judicial proceeding;  
or

(4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. You inform us that the submitted photograph depicts department police officers. You state none of the police officers depicted in this photograph have provided the department with written consent regarding the release of the photograph. You also state none of the remaining exceptions under section 143.090 apply in this instance. Based on your representations and our review, we conclude the department must withhold the submitted photograph under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
