

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

January 29, 2013

Ms. Michelle M. Kretz
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2013-01628

Dear Ms. Kretz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477241 (Fort Worth PIR No. W021678).

The City of Fort Worth (the "city") received a request for the "Animal View Report" and all information pertaining to animal number A16333956. You claim that the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted report for A16333956 was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2012-16685 (2012). In that ruling, you informed us the city was releasing certain responsive information, which included the report for A16333956. Section 552.007 of the Government Code provides if a governmental body voluntarily releases information to any member of the public, the governmental body may not withhold such information from further disclosure unless its public release is expressly prohibited by law or the information is confidential under law. *See* Gov't Code § 552.007; Open Records Decision No. 518 at 3 (1989); *see also* Open Records Decision No. 400 (1983) (governmental body may waive right to claim permissive exceptions to disclosure under the Act, but it may not disclose information made confidential by law). Accordingly, pursuant to section 552.007, the city may not now withhold any previously released information unless its release is expressly prohibited by law or the information is confidential under law. Although you now seek to

withhold the report for A16333956 under section 552.103, this section does not prohibit the release of information or make information confidential. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Thus, the city may not now withhold the report for A16333956, which we have marked, under section 552.103 and it must be released to the requestor. We will consider your arguments under section 552.103 for the remaining information.

Section 552.103 of the Government Code provides, in part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body that claims an exception to disclosure under section 552.103 has the burden of providing relevant facts and documentation sufficient to establish the applicability of this exception to the information that it seeks to withhold. To meet this burden, the governmental body must demonstrate that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to the pending or anticipated litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a). *See Open Records Decision No. 551 at 4 (1990).*

You state, and provide supporting documentation showing, a lawsuit styled *Marshall v. City of Fort Worth* was filed in the 271st Judicial District Court of Wise County prior to the city's receipt of the present request for information. Based on your representations and our review, we find the city was a party to pending litigation on the date it received the request for information. Further, you state, and we agree, the information at issue relates to the pending

litigation. Accordingly, we conclude the city may withhold the remaining information under section 552.103.

We note once information has been obtained by all parties to the pending litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to the information. See Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103(a) ends once the litigation has concluded. Attorney General Opinion MW-575 (1982); Open Records Decision Nos. 350 (1982), 349 at 2.

In summary, the city must release the report for A16333956, which we have marked. The city may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
