OR2013-02521

Dear Ms. Saucier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 482547.

The Georgetown Police Department (the "department") received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains CR-3 accident report forms. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash reports were completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite information for the CR-3 crash reports. Although you seek to withhold this information under section 552.108 of the Government Code, we note

information that is specifically made public by statute may not be withheld from the public under the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release these reports in their entirety to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that release of the remaining submitted information will interfere with a pending criminal prosecution. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976). We note, however, that the information at issue includes DIC-24 statutory warnings and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestees, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

We note that the DIC-24 and DIC-25 forms contain driver’s license numbers. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> Gov’t Code § 552.130(a)(1). The department must withhold the information we have marked under section 552.130.

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception like section 552.130 on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the department must release the submitted CR-3 accident reports under section 550.065(c) of the Transportation Code. Except for the information we have marked that must be withheld under section 552.130 of the Government Code, the department must release the DIC-24 and DIC-25 forms. Except for basic information, which must be released, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
