Assistant City Attorney
City of Austin

OR2013-02555

Dear Ms. Nicholson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 478794.

The City of Austin (the "city") received a request for information regarding the suspension of a named employee. You claim the requested information is excepted from disclosure under sections 552.108 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note section 552.108 is generally not applicable to information relating to an administrative investigation that did not result in a criminal investigation or prosecution. *See*

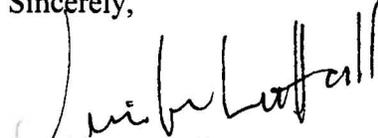

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Morales v. Ellen, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you explain the submitted information relates to an ongoing criminal investigation being conducted by the city's police department and the sergeant supervising the investigating detectives has advised release of the requested information would interfere with this investigation. Based upon your representations and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Jennifer Luttrall
