

ATTORNEY GENERAL OF TEXAS

Ms. Cheryl Elliot Thornton
Assistant County Attorney
County of Harris
1019 Congress, 15th Floor
Houston, Texas 77002

OR2013-02952

Dear Ms. Thornton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 484618.

The Harris County Constable, Precinct 3, (the "constable") received a request for a specified offense report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ.

App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the submitted information includes a DIC-24 statutory warning. The constable provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. See Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 form and basic information, the constable may withhold the submitted information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license issued by a Texas agency, or an agency of another state or country, is excepted from public release.¹ Gov't Code § 552.130(a)(1). Upon review, we find the constable must withhold the driver's license information we have marked in the DIC-24 form under section 552.130 of the Government Code.

In summary, except for the driver's license information we have marked, which the constable must withhold under section 552.130 of the Government Code, the constable must release the DIC-24 form. With the exception of basic information, the constable may withhold the remaining information under section 552.108(a)(1) of the Government Code. The constable must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
