

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

February 27, 2013

Mr. Stephen A. Cumbie  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, Third Floor  
Fort Worth, Texas 76102

OR2013-03323

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 479863 (Fort Worth PIR No. W022205).

The City of Fort Worth (the "city") received a request for a named city police officer's "entire file." You state some information will be released to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.117, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 550.065(b) of the Transportation Code. Section 550.065(b) states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release

<sup>1</sup>We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). The requestor has not provided the city with two of the three requisite pieces of information specified by the statute. Accordingly, the city must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.101 of the Government Code also encompasses section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the existence of two different types of personnel files relating to a police officer: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)–(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051–.055; *see* Attorney General Opinion JC-0257 (2000) (written reprimand is not disciplinary action for purposes of Local Gov't Code chapter 143). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the police department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a document relating to a police officer's alleged misconduct may not be placed in his civil service file if there is insufficient evidence to sustain the charge of misconduct. Local Gov't Code § 143.089(b). Information that reasonably relates to a police officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You explain the remaining information is maintained in the police department's internal file for the named officer, and this information relates to investigations that did not result in disciplinary action against the named officer. Based on your representations and our review, we find the city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.<sup>2</sup>

In summary, the city must withhold the submitted CR-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.
