Mr. Warren M. S. Ernst
Chief of the General Counsel Division
Office of the City Attorney
City of Dallas
1500 Marilla Street, Room 7DN
Dallas, Texas 75201

OR2013-03344

Dear Mr. Ernst:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 480171.

The City of Dallas (the "city") received a request for two categories of information pertaining to the requestor's participation in a specified fire lieutenant assessment.¹ You inform us the city will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.122(b) of the Government Code excepts from required public disclosure "[a] test item developed by a . . . governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term "test item" in section 552.122 includes any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated, but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. Whether information falls within the scope of section 552.122 must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision

¹You inform us the city asked for and received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You state Exhibit C consists of the “personnel test exercise, policy test exercise, and operational test exercise for the 2012 Dallas Fire-Rescue Department Lieutenant Assessment Center” and Exhibit D consists of the requestor’s written responses to these test exercises. You inform us the city utilizes the test exercises at issue to measure the practical capabilities and knowledge of candidates for promotion in the city’s fire department. You explain the test exercises “are re-used verbatim, or with only minor changes, on an on-going basis to provide for consistent evaluations of candidates[.]” You argue release of the written responses to the test exercises will “reveal the subject matter of the test questions[.]” thereby undermining the city’s ability to assess candidates in a consistent manner, and compromising the effectiveness of future candidate assessments. Based on your representations and our review, we find the test exercises are test questions under section 552.122(b) and the written responses reveal the test exercises themselves. Therefore, we conclude the city may withhold Exhibits C and D under section 552.122 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Kenneth Leland Conyer
Assistant Attorney General
