Assistant City Attorney

OR2013-03491

Dear Mr. Cross:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 481987.

The El Paso Police Department (the "department") received a request for information pertaining to a specified case number. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with the requisite information specified by the statute.

Nevertheless, you assert portions of the CR-3 form are confidential under section 552.130 of the Government Code. Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued

by an agency of this state or another state or country. *See* Gov't Code § 552.130(a)(1)-(2). We note a statutory right of access generally prevails over the Act's general exceptions to disclosure. *See* Open Records Decision Nos. 623 at 3 (1994) (exceptions in Act inapplicable to information that statutes expressly make public), 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the access provided under section 550.065 of the Transportation Code and the confidentiality provided under section 552.130.

Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) ("more specific statute controls over the more general"); *Cuellar v. State*, 521 S.W.2d 277 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones); Open Records Decision Nos. 598 (1991), 583 (1990), 451. In this instance, section 550.065 specifically provides access only to accident reports of the type at issue in this request, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to accident reports provided under section 550.065 is more specific than the general confidentiality provided under section 552.130. Accordingly, the department may not withhold any portion of the CR-3 form under section 552.130. Therefore, the department must release the CR-3 accident report form in its entirety to the requestor pursuant to section 550.065(c)(4).

We now turn to your arguments for the remaining information. We note you have marked the telephone numbers and addresses of 9-1-1 callers in the submitted calls for service report. In Open Records Letter No. 2003-0708 (2003), this office issued a previous determination authorizing the department to withhold the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). Therefore, to the extent the information you have marked consists of the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier established in accordance with chapter 772, the department must withhold the marked information under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code in accordance with the previous determination issued to the department in Open Records Letter No. 2003-0708.

In summary, the department must release the CR-3 accident report form in its entirety to the requestor pursuant to section 550.065(c)(4) of the Transportation Code. To the extent the

information you have marked in the submitted calls for service report consists of the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier established in accordance with chapter 772 of the Health and Safety Code, the department must withhold the marked information under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code in accordance with the previous determination issued to the department in Open Records Letter No. 2003-0708. The department must release the remaining information.
