OR2013-05472

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 483384.

The Texas Department of Transportation (the "department") received a request for information related job posting number 018497. We understand you will release some of the requested information upon receipt of payment. You claim that some of the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.122(b) of the Government Code excepts from disclosure "[a] test item developed by a . . . governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated," but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You state a portion of the interview question at issue “relates to the stated knowledge, skills, and abilities required for the position and do not focus on qualifications or experience unique to a particular applicant.” Further, you state the portion of the interview question at issue will be used for future interviews. Having considered your arguments and reviewed the submitted information, we find the interview question you have marked qualifies as a test item under section 552.122(b) of the Government Code. We also find the release of the answer to this portion of the question would tend to reveal the question itself. Therefore, pursuant to section 552.122(b) of the Government Code, the department may withhold the information you have marked. As you raise no further exceptions against disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Vanessa Burgess
Assistant Attorney General
Open Records Division
