

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 10, 2013

Ms. Michelle L. Villarreal
Assistant City Attorney
City of Waco
P.O. Box 2570
Waco, Texas 76702-2570

OR2013-05738

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489170 (ORR# 13-316).

The City of Waco (the "city") received a request for information pertaining to a named individual, including two specified incidents. You state you are releasing some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident;

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation (the “department”) or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.² The submitted information contains a CRB-3 Texas Peace Officer’s Crash Report. In this instance, the requestor has not provided the city with two of the three pieces of required information pursuant to section 550.065(c)(4). Accordingly, the city must withhold the submitted CRB-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and have provided a statement showing, incident report numbers 13-5171 and 13-4528 pertain to active criminal investigations or prosecutions. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to incident report numbers 13-5171 and 13-4528.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense. *See* ORD 127 at 3-4. In this instance, you have marked most of the narrative portions of incident report numbers 13-5171 and 13-4528 as information you seek to withhold under section 552.108. The remaining information does not contain information sufficient to satisfy the requirement that a “detailed description of the offense” be released as basic information. *See id.* Accordingly, we determine the city must release a sufficient portion of the narrative in each of the reports at issue to encompass a detailed description of the offense. However, the basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code or the social security number of the complainant. *See id.* Thus, with the exception of the basic information, the

city may withhold incident report numbers 13-5171 and 13-4528 under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information you marked, and the additional information we have marked, under section 552.130 of the Government Code.

In summary, the city must withhold the submitted CRB-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of the basic information, which must be released, the city may withhold incident report numbers 13-5171 and 13-4528 under section 552.108(a)(1) of the Government Code. The city must withhold the motor vehicle record information you marked, and the additional information we have marked, under section 552.130 of the Government Code. The city must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³We note the information being released contains social security numbers. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).
